# A MESSAGE FROM THE COORDINATOR

Welcome all to the 2021 Edition of The Harold Joyce,

After a year hiatus we are back with a different format than previous seasons with 2023 Canada Winter Games eligible skaters on Saturday and 100 provincial racing on Sunday. This new format allows more racing and less time between races, and we are excited to see how it works out on this trial basis.

This is my fourth decade within our fantastic sport and my first as Harold Joyce Meet Coordinator. I would like to thank the seventy plus volunteers who have come forward both before and during the competition to make everything a success. We hope that these volunteers will continue in roles critical for success of future local and provincial competitions.

I think back to some of the earliest competitions in the province with **everything** done by hand, many phone calls beforehand, potato sacks in the corner, no knee pads, no skinsuits, no Kevlar, toilet plungers for track markers, leather stripped helmets, very cold arenas, and a lot of warm hearts at work. These are fond memories and I hope new skaters create their own.

Our province has created a great tradition of successful competitions. We have been the leader when it comes to track development, meet manager systems, skills development programming and mixed ability & mixed gender racing. We have produced great development programs at the younger level and success at the national, Canada Games, and International Level. We can be proud to be New Brunswickers, yet we must work hard to hold tradition into the next era.

Little did I know coming into this season that I would be stepping into the volunteer role of meet coordinator. It has been a great deal of work & a valuable experience overall as I have been able to check in with systems, protocol, and specifics that I was not always aware of in my other duties. I thank those that have taken the time to help guide me in these aspects.

The FASSCI club is happy to host all of you and we look towards great racing this weekend.

Thank you all for volunteering and attending,

Derrick MacLeod

# THE HISTORY OF HAROLD JOYCE

Harold Joyce won his first speed skating medal in 1937 and competed until age 55, when in 1982 he won 8 medals in the Senior Olympic in Lake Placid. During Harold's skating career, most competitions took place outdoors on lakes. The two big Maritime meets were held in Saint John, N.B and Dalhousie, N.B, and would draw large crowds.

The Second World War put a stop to Harold's speed skating career, but following the war, in 1987, Harold returned to competition at the Canadian Outdoor Championships held at Lily Lake. In the first three events, Harold finished second to his main rival Johnny Quigg. This was disappointing, but Harold gave it his all in the final mile long race and edged out his rival to take home the gold.

In the years that followed, Harold competed across Canada and in the US where he skated for the Lake Placid Team in New York State for 4 years before returning to New Brunswick to settle down.

On February 22, 2017, Harold passed away, but his legacy continues through the Harold Joyce Championships.
